Students will be required to log into Microsoft Teams at the beginning of each class period for attendance, instruction, and directions for learning activities. Teachers will remain online during the duration of the class.

Students should follow the routine below on any digital learning days:

1. Open and check email before 10:00 am. Accept any Team meeting invites and read any emails from teachers. Respond to any emails if necessary. You should leave your email open for the entire day.
2. Open Schoology. Leave this open for the entire day.
3. Open Teams. Leave your Teams open and watch for any notices that may pop up.

Teams Meetings: Watch the time on your computer for the start of class time. There are two ways to access the Teams meeting. 1) Check your email to see if you have an invitation to accept and 2) If you don't see anything on your calendar, open Teams and click on the Teams icon on the left side of teams and then the title of the class.

If you have any issues joining a class, email your teacher and check Schoology for assignments.
